

# Baptism

## **Mission:**

***To support those preparing for infant/child baptism.***

Baptism preparation is done with the co-ordinators at your home. Baptisms are only on the first and third weekends of each month usually at 12 noon on Sunday.

The activities of our ministry are to facilitate and assist parents/guardians to prepare and organise for their child's baptism, including: meeting with the parents/guardians at home; assisting in organising dates/times and special requirements; encouraging full participation of family/friends; assisting in developing baptism liturgies (especially outside Mass liturgies); encouraging parents/guardians to recognise their role as first and most important teachers and guides for their child's Christian upbringing and understanding of Jesus.
